

2019's edition of the ReHomed Art Show was held May 17-19 at the Pine Grove Community House. The ticketed opening party was a sold-out event. A big Thank You to Dave Leach of Living Room Realty who sponsored some great snacks from Buttercup. Sincere thanks also go to The Little Apple and Fort George Brewery who kindly provided wine and beer.

Party attendees enjoyed the first chance to purchase from the collection of over 170 donated works of art. By the end of the show on Sunday, 136 pieces were sold. The remaining artwork was donated to the Nehalem Bay United Methodist Church for their upcoming rummage sale in support of local programs.

The art show raised \$8934 and was a groundbreaking partnership between CARTM and the Pine Grove. CARTM continues to advocate for creative re-use with this show serving notice that CARTM is still an active north coast non-profit. Each of the entities will net over \$3,600.

Thank you to the 30 plus locals who volunteered to help make the ReHomed Art Show a big win. The following 6 committee members started in January planning for the event and have put many hours towards making it a success. If you see these folks around, please be sure to tell them Thank You!
